

Group Personal Accident and Travel Insurance

There's nothing off the shelf about Maven's Personal Accident and Travel product. With an existing client base that includes large multi-national companies through to sole traders, we have been tailoring insurance solutions for a range of diverse clients for many years.

Whether your client has contractual requirements for cover, needs to make financial provision for business continuity, or simply wishes to include cover as part of an employee benefits package, Maven can help you to add value to your client proposition by ensuring cover reflects their need.

The broad scope of policy cover and the assistance services that underpin our policy means your clients will have peace of mind that all employees travelling on business have high levels of protection and support. We offer advice on risk management and business travel protocols, intended to help clients address both legal and moral responsibilities around business travel.

By providing brokers with direct access to experienced decision-making underwriters, Maven is the broker's choice for Group PA and Travel insurance.
